HOME DECORATION EXHIBITION

Discover Design at HOMEDĚC

HOMEDĚC kicks-off its first show of the year in Penang this 15 - 17 April at PISA. The exhibition is also scheduled to be held in Kuala Lumpur Convention Centre from 29 April - 2 May and Persada Johor from 22 - 24 July.

An established event since 2003, it is a must-visit for those who need not just varieties for home renovation, refurbishment and redecoration, but getting to know in-depth knowledge and the right steps to be taken when planning their home projects and designs. HOMEDĚC lets homeowners discover a treasure trove of the latest home design, trends, ideas, solutions, tips and best products in the market.

This year, HOMEDĚC is bringing homeowners on 'Discover Design' that takes the home arena to another level and educates homeowners on home knowledge and translating great designs into the home. The exhibition guides you in whatever home project and design ideas you undertake. Covering the must-knows, the steps you need to know, decorating and designing your home and integrating all your ideas beautifully into reality. ▼
