Great design ideas to transform your home

Homedec is back this weekend

FOR those who need fresh ideas to decorate their home, head over to Homedec 2011 that will be held at the Penang International Sports Arena (PISA) in Relau from April 15 to April 17.

With the theme 'Discover Design', visitors will be taken on an exciting journey educating them on home knowledge as well as creating great designs for their homes.

Regardless of any design you may wish to undertake, the three-day exhibition will cover all the must-know and the steps in decorating your home and bringing all your beautiful ideas into reality.

Touted as the most-awaited event for Penang homeowners, there will be a huge selection to discover from the 160 companies showcasing over 420 booths where 50% of them are exhibitors from Kuala Lumpur.

In this round, Homedec will feature a special segment on living room furniture titled 'Living Design' which will highlight inter-

esting ideas in creating designs for the living room.

Among others, there will be an array of new designs, models, materials, technology and inspiring concepts and furniture to liven up the living room.

Organised by C.I.S Network Sdn Bhd since 2003, Homedec has been in Penang since 2008 and is the first in creating fresh ideas and new concepts in home decor exhibitions.

Homeowners will thus find a treasure trove of needs for home design solutions, ideas, trends and the knowledge in turning their home into a palace of their dreams.

Recently, Homedec won the Best Consumer Exhibition Award Category organised by MACEOS (Malaysian Association of Convention and Exhibition Organisers and Suppliers) during their 21st anniversary awards & dinner.

Entrance is free and the exhibition is open to the public from 11am to 9pm daily. For details, visit www.homedec.com.my or call 016-2332773.
